## NEWSLETTER – APRIL, 2017

### TULBAGH GOLD MEDAL SHOW 2017

Our second Gold Medal Show will be held at Tulbagh from Wednesday 27<sup>th</sup> to Saturday 30<sup>th</sup> September, 2017. We have been fortunate in being able to acquire the services of two judges from the United Kingdom.

The In-Hand breed classes will be judged by George Mitchell of the Dycott Stud while the harness classes will be judged by George Mitchell and Clare Granger, together with the South African judge, Bertie Snyman on the Hi-Lo system.

Members will be interested to learn that George and Clare have dominated the Welsh driving classes, particularly at the Royal Welsh, for a number of years. In the 2016 Journal on page 88 there is a picture of George with the Welsh Cob Stallion, Ciffig Cymro Du,

this combination not only winning the Welsh driving championship and the overall Driving championship but they also went on to become the Reserve Supreme Champion Horse at the show. In addition, in 2016 Clare won both the Section A driving class with Senny Kendal and the Section C driving with Cargarsar Silver Shadow.

On page 123 of the 2014 Journal there is a picture of Clare Granger winning the Welsh Driving Championship at the 2014 Royal Welsh Show with the Welsh Pony of Cob Type, Cargarsar Silver Shadow.

Members should already be becoming excited at the prospect of demonstrating their skill and the performance of their ponies to such experienced whips and horsemen. It is an opportunity not to be missed and we justifiably look forward to seeing well-filled classes

for these overseas judges. George and Clare have already expressed their excitement at the prospect of judging the Welsh classes at Tulbagh – we must not let them down.

***LET'S MAKE THIS THE BEST WELSH SHOW EVER***

## **BEAUFORT WEST SILVER MEDAL SHOW 2017**

### **IN-HAND JUDGE'S COMMENTS**

In the last Newsletter I wrote about my observations at Tulbagh Show last year and made a few suggestions on where competitors can improve on their showing skills.

Well, six months later, the change and improvement has been quite remarkable! Either you all read the newsletter and took heed, or, somebody has been lecturing on how to show.

I was so impressed with the in-hand classes. Firstly, entry into the arena, running in a clockwise direction with the pony nearest the judge. You all got that right. I know you do it the other way round with other breeds, but I want to see the animal I am judging, not the handler – so well done there.

The handlers all showed very well, running the ponies out properly and continued going even when past the judge. Once they got going, you have to agree, they all went very well down the back of the line and this is where I was able to see movement from the side after looking from the front and back when the ponies were walked away from me and then trotted back towards me.

I did not see one handler who looked bored or disinterested. All were concentrating and had their ponies' attention all the time. There are still one or two minor things that can be improved on, but that will come in time.

The winner of the 'Best Handler' award was very good, working on the ponies all the time, talking and communicating with them and they were happy to show for him. Well done to everybody! It was a real thrill to see the improvement. Things can only go from strength to strength from here on. Congratulations to you all.

Glynis Karlsson

## **PRESIDENT'S REPORT ON BEAUFORT WEST SHOW**

To my members, I thank you for putting your trust in me and voting me in as your President; it is my priority to see that your trust is not broken and that is what makes me a slave driver as my council calls me. To my active working council, words can't express my heartfelt gratitude to you because at a touch of a button on the cell phone at any time of the day or night to say that we have an urgent meeting, you are there (yes maybe with moans and groans, but I don't hear or see that). A president can't make a success without his council and that's what I call teamwork.

On the note of success to Beaufort silver medal show and all our other shows, I can't thank our sponsors enough for putting their hands deep in their pockets only with one goal and that is for the love of our ponies and the future of our children. Just let me share this story from one of our sponsors. I approached the owner of this particular company to explain what our aims and objectives were and that we were looking for a sponsor. The owner told me yes I will sponsor that particular class but on one condition, I don't want my company's name to be mentioned. I explained to him like wise to all our other sponsors that for each cent that you spend in our society it is our duty to give you mileage for your monies but he insisted, No mentioning of he's company's name. We agreed upon it and we respect the conditions of the sponsors. It didn't stop there, he became so involved that I had to stop him from sponsoring any more classes. Now this is what ALLAH (GOD) says in the Holy Qur'an and the Holy Bible "WHAT THE ONE HAND GIVES THE OTHER HAND MUSN'T KNOW" and your rewards will come from above. Sometimes we're wondering, looking at the condition of our country and the world - we have just been put in junk status; will our sport survive? But if we put our trust in our ALMIGHTY that is why their businesses are flourishing in such bad times. GOD says spend well the little with which I have entrusted you and I will entrust you with more. That is what our Society is built on, TRUTH and JUSTICE, and that is our recipe to success. To all our sponsors, we don't know how to say Shukran (thank you) for your sponsorships when we see the broad smiles on our children's faces when they receive that big buckets of joy (5kg mixed bucket of sweets, chips, chocolates, fruit filled up to the top mostly name brands) and still an envelope with money inside. Who made that possible? It can only be you. Can money buy that broad smile which becomes a happy child and future leader? YOU as the sponsor did it. If we look at our members when they received their envelopes which they didn't expect - who made that possible? Once again, you the sponsor. Words can't express the appreciation to our sponsors; let that broad smiles on the children's faces be your pathway to heaven

To our members who has put in all the hard work in training, conditioning, preparing to exhibit their ponies and to undertake this long tiring journey with their most beloved ponies and families, without sleep in whatever condition, and still putting up such a high quality and successful show - I salute you. It makes me and my council proud to put in all the time and effort to serve you. Like I always say, without the member there is no society and the council is only but the slaves of the member. That's why it's the members' duty to keep council on their toes and give their input so that we know what the member's needs are and to fill it to the best of our ability on time and in time. To the members who didn't partake in the Beaufort silver medal show for whatever reason, yes you have missed out a lot but that's not the end of the world. Let's have your entries first at our next shows to come and to all our members whenever we call meetings please, please make your utmost effort to attend because that is where decisions are taken for the show. This can only lead to the successful show we had at BEAUFORT and other shows in the past. Make your voices heard and do your bit to your Society. When the WELSH PONY AND COB SOCIETY, AFRICA'S name is mentioned in South Africa and round the World, then you can proudly say 'I AM A MEMBER OF THAT SOCIETY'

To our Judges, Glynis in particular, you did a fantastic job when you judged our breed classes (in-hand). Our members and other society's members came to me and were overwhelmed with the way you have judged by taking out a gelding or a rig (klop hings) out of so many entries in those classes - you did it. That is the only type of judge that can take the breed forward. Like I say, honesty is the best policy; keep up the good work and may the ALMIGHTY spare you for many more years with us and the ponies. You are an asset to the breed

To the overseas judges, we say thank you for the outstanding work you did by judging our ponies in the harness classes. To the Hackney Horse Society, we can't thank you enough for making your judges available at a time we needed it most. I hope your Society goes from strength to strength. Now our focus is on our Gold Medal Show at Tulbagh in September 2017. We need your input and effort to make Tulbagh Show bigger and better by working together as a family because at the WELSH PONY AND COB SOCIETY, AFRICA, we are one big happy family

Maila Samuels, President.

## PASSPORTS AND AHS

Those members who have had their passports certified by the Secretary are well set for the Tulbagh and other shows. Those members who have not had their passports certified, are reminded to do so without delay and not to wait to the last minute before the show to attend to this necessary administrative detail otherwise you may be disappointed. If you need additional passports for other ponies, please apply for this now so as to avoid the last-minute rush.

In addition, members are once again reminded of the regulations concerning inoculation for African Horse Sickness between 1<sup>st</sup> June and 30<sup>th</sup> September but remember that the pony may not return to the Protocol area within 40 days of the last inoculation. So please have your inoculations done early to avoid disappointment by not being able to show at Tulbagh under the two overseas judges.

## JOURNAL: WELSH PONIES AND COBS, SOUTH AFRICA

Members are encouraged to provide the Publisher/Editor of the Journal, which is distributed free of charge to our members, with articles on their and their ponies' achievements, especially those who have converted to Breeder member status. It is always of interest to other members to know why and how some members started with Welsh ponies and what they have done to get where they currently are.

Should you need assistance in writing the article, the Editor would be more than willing to assist, you need merely ask.

Articles are always more interesting when accompanied by pictures of the ponies, so start looking for those pictures of the earlier ponies and let the Editor have them.

Contact details are [journal@freyja.co.za](mailto:journal@freyja.co.za) and 073-356.8955

## BEAUFORT WEST SHOW RESULTS

SECTION A FILLY >2<4 AND JUNIOR CHAMPION FILLY
