TULBAGH GOLD MEDAL SHOW 2018

Hansu Express, Supreme Champion Section A

The 2018 Tulbagh Gold Medal Show was one to be remembered because not only were some records established but, by all accounts, competitors had a most enjoyable time. There were almost 150 ponies entered and many more wanted to participate had we been able to get more stables. Of particular note was the Senior Stallion Single Harness class which had 66 ponies forward necessitating this class to have three Heats with the 15 placed ponies competing in the Final of this class the following day to decide which five went through to the Supreme Championship. It was a thrilling class to experience and with more stables in future years, one can only but wonder how many entries we will get then. Other classes were also well filled and the under 12 class with helper also had to be split into two Heats for safety purposes.

The judge, Elizabeth Russell was particularly impressed and in her Judge's Report, which will be published in the Journal for distribution in a few weeks time, she gives her impressions.

NAMIBIAN GET-TOGETHER

In advance of her judging the Tulbagh Gold Medal Show, Elizabeth Russell decided to take a few days to tour Namibia which gave the Society an ideal opportunity of arranging a get-together with Welsh Pony and Cob enthusiasts in Namibia. This was especially so as our Society is registered with the Namibian Stud Breeders' Association.

One of our members arranged the weekend at their Otjere Game Farm (www.otjere.com) and a most interesting, entertaining and educational time was had by all. We were able to tap into the considerable wealth of knowledge of the President and apart from a mock in-hand breed show, aimed at demonstrating the provisions of the Breed Standards, we also had a practical session in completing the Identification Diagrams of all those ponies and cobs which needed to be registered. The weekend was one of total immersion in the Welsh breeds and the discussions continued during mealtimes as well.

A thoroughly enjoyable time was held by all.

PARYS SHOW

Our members have once again been invited to participate in the Parys Christmas Festival from 6th to 8th December, 2018. The venue is one of the most modern facilities completely under cover, including the arena, the stables and all the passages in between.

Anyone interested in participating is advised to contact Maila urgently to join the group going to Parys.

Last year turned out to be a most successful and enjoyable event.

TULBAGH GOLD MEDAL SHOW 2019

We are pleased to inform members that we have been able to get George Mitchell and Clare Granger to be our joint judges for the Tulbagh Gold Medal Show to be held from 24th to 28th September, 2019. George and Clare have dominated the Welsh Diving classes in the UK and especially at the Royal Welsh. George won it this year with a Section A Senny Kendal and with a Section D in 2016 with Ciffig Cymru Du whilst Clare has won it on a few occasions with her Section C Cargarsar Silver Shadow.

We look forward to a challenging show with well-filled classes.

BEAUFORT WEST SHOW 2019

We will once again be hosted to a show by the Beaufort West Show Society from 20th to 23rd March, 2019.

Further details will be announced shortly when the Prizelist and entry forms will be distributed.

AHS PROTOCOL REGULATIONS

As these regulations have been in place for some time, it is not understood why some members persist in ignoring these provisions at great expense to themselves. Everyone should by now be aware that a number of members have been fined heavily for not ensuring that they have 'Movement Certificates' for their ponies to travel from shows outside the protocol area. This not only reflects on them but the Society and its other members as well because the authorities are more attentive to the movement of Welsh ponies from and to the protocol area.

If you are still not aware of these provisions, ask, because it will save you considerable monies in future.

DOPE TESTING

Members are reminded that there are regulations in place in our Society which prohibits the use of any banned substance as declared by the FEI. The Society further has the power of testing ANY pony at any of the shows under Welsh Rules for banned substances. If ponies have been found to have been doped, severe penalties of fines and the possible termination of membership may be imposed on members. Members must realise that when a pony owned by that member is found to have been drugged, the responsibility falls on that member personally as you are responsible for all actions of handlers, trainers and anyone else who has access to your pony. A claim of ignorance is no excuse. It is certainly in your interests to ensure that ponies are not drugged.

WELSH PONY AND COB SOCIETY, AFRICA

MINUTES OF THE THIRD ANNUAL GENERAL MEETING OF THE SOCIETY HELD AT TULBAGH, SOUTH AFRICA, ON FRIDAY, SEPTEMBER 28, 2018 AT 19H30

PRESENT AND APOLOGIES:

The Chairman Ismaeel Samuels, Mrs Elizabeth Russell, the President of the Mother Society, from Scotland and members per attendance list circulated

Apologies had been received from Ds Lubbinge and Mr Salasa

IN ATTENDANCE: Gustav Karlsson – Secretary

The Secretary confirmed that a quorum in terms of the Constitution was present and that the meeting was duly constituted.

MINUTES OF THE 2017 ANNUAL GENERAL MEETING:

Proposed by Emraan Domingo and seconded by Glynis Karlsson, the Minutes of the Second Annual General Meeting held on September 29, 2017, were confirmed as a true record of the proceedings.

REPORT BY CHAIRMAN OF COUNCIL:

The Chairman remarked that it was a pleasure to be President of this Society especially knowing where we have come from and where we are heading to. What the members of this Society have achieved in the short time since we were formed shows that when everyone works together, there can be amazing achievements. He was proud of the members. We had to discipline ourselves and develop that discipline in our children so that this society can go from strength to strength.

It was imperative for members to support all the functions being organised by the society and that members should give feedback to the Councillors with their proposals. Only in this way would the Society truly represent the interests of its members. This will be to the benefit of the ponies and cobs. The Chairman wished the members an enjoyable final day at the show on Saturday and a safe journey home.

FINANCIAL REPORT:

The Secretary submitted the Income and Expenditure Account and the Statement of Assets and Liabilities. He mentioned that the Society was in a very healthy position and this was necessary to ensure that a reserve fund was built up for the future. It had to be borne in mind that currently all the administrative costs were being sponsored and a healthy Society would have to be able to pay its administrative costs in the future. The Financial Accounts were approved.

ELECTION OF COUNCIL:

As not more than the requisite number of nominations had been received to fill the vacancies on Council, no election for Breeders and the Western Cape was necessary. Hence the Council for 2018/19 would be:-

REPRESENTING BREEDERS

Mr Emraan Domingo	Retires in 2020
Mrs Saniya Domingo	Retires in 2019
Mrs Mymona Salie Samuels	Retires in 2020
Mr Ismaeel Samuels	Retires in 2019

REPRESENTING OWNERS

As no nominations had been received, it was agreed that Council co-opt suitable members to serve on Council for the relevant periods to 2019 and 2020

REPRESENTING THE WESTERN CAPE

Mr Ebrahiem Moses	Retires in 2019
-------------------	-----------------

These members are congratulated on their election to Council.

The Chairman reminded members that it was their responsibility to nominate suitable members for election to council at the AGM.

-----00000000000000000000-----

PASSPORTS AND AHS

Those members who have not had their passports certified, are reminded to do so without delay and not to wait to the last minute before the show to attend to this necessary administrative detail otherwise you may be disappointed.

If you need additional passports for other ponies, please apply for this now so as to avoid the last-minute rush.

JOURNAL: WELSH PONIES AND COBS, SOUTH AFRICA

Members are encouraged to provide the Publisher/Editor of the Journal, which is distributed free of charge to our members, with articles on their and their ponies' achievements, especially those who have converted to Breeder member status. It is always of interest to other members to know why and how some members started with Welsh ponies and what they have done to get where they currently are.

Articles are always more interesting when accompanied by pictures of the ponies, so start looking for those pictures of the earlier ponies and let the Editor have them.

Contact details are journal@freyja.co.za and 073-356.8955

DO NOT BUY OR SELL UNREGISTERED PONIES

The Publisher/Editor of the Journal has pleasure in sponsoring the distribution of this Newsletter in the interests of disseminating information to Members of the Society and Welsh Pony and Cob enthusiasts
